## LED-Super-Neon Series

Product Specification :

| LED-Super-Neon Star       |                          |                                     |
|---------------------------|--------------------------|-------------------------------------|
| Para\Type                 | CL-SN-S2w                | CL-SN-S4w                           |
| size                      | 18mm*3.5mm               | 18mm*3.5mm                          |
| Voltage                   | 5V , 12V , 24V           |                                     |
| LED Distance              | 10cm, 15cm, 20cm, 30cm   |                                     |
| Power per lamp            | 0.1W ~ 0.36W             | 0.3W ~ 1.2W                         |
| Maximum connection length | 360 spots                | 100 spots                           |
| Color                     | Single color (R,Y,B,G,W) | single color or color changing(RGB) |

Product Specification :

| LED-Super-Neon Thin |                          |            |
|---------------------|--------------------------|------------|
| Para\Type           | CL-SN-T01                | CL-SN-T02  |
| Size                | 25mm*7.5mm               | 25mm*7.5mm |
| Voltage             | DC24V , DC12V            |            |
| Power(per meter)    | R/Y                      | 2W ~ 3.3W  |
|                     | B/G/W                    | 2W ~ 6.5W  |
| LED Quantity        | 80 pcs/m                 | 20 pcs/m   |
| Color               | Single color (R,Y,B,G,W) |            |

Product Specification :

|                              |              |                                 |
|------------------------------|--------------|---------------------------------|
| <i>LED-Super-Neon Excite</i> |              |                                 |
| <i>Para\Type</i>             |              | <i>CL-SN-E01</i>                |
| <i>Size</i>                  |              | <i>27mm*15mm</i>                |
| <i>Voltage</i>               |              | <i>24V, 120V, 230V</i>          |
| <i>Power(per meter)</i>      | <i>R/Y</i>   | <i>2W ~ 3.3W</i>                |
|                              | <i>B/G/W</i> | <i>4W ~ 6.5W</i>                |
| <i>LED Quantity</i>          |              | <i>80pcs/m</i>                  |
| <i>Color</i>                 |              | <i>Single color (R,Y,B,G,W)</i> |

Product Specification :

|                             |              |                                 |
|-----------------------------|--------------|---------------------------------|
| <i>LED-Super-Neon Thick</i> |              |                                 |
| <i>Para\Type</i>            |              | <i>CL-SN-TH01</i>               |
| <i>Size</i>                 |              | <i>Φ 30mm</i>                   |
| <i>Voltage</i>              |              | <i>DC24V, DC12V</i>             |
| <i>Power(per meter)</i>     | <i>R/Y</i>   | <i>2W ~3.3W</i>                 |
|                             | <i>B/G/W</i> | <i>4W ~6.5W</i>                 |
| <i>LED Quantity</i>         |              | <i>80 pcs/m</i>                 |
| <i>Color</i>                |              | <i>Single color (R,Y,B,G,W)</i> |
