|------------------------|-------------------------------------------|
| SPECIFICATION:         |                                           |
| Model:                 | F-600P                                    |
| Continuous power:      | 600W                                      |
| Peak Power:            | 1200W                                     |
| Dimension:             | 203*112*59mm                              |
| Input Voltage:         | 24v (22-30v)                              |
| Output Voltage:        | 220V $\pm$ 5%                             |
| Socket:                | EU                                        |
| Frequency:             | 50HZ                                      |
| Conversion Efficiency: | >90%                                      |
| Material:              | Aluminium Alloy                           |
| Output Waveform:       | Pure Sine Wave                            |
| Accessories:           | 2 x Crimper<br>1 x Cigarette lighter plug |
| Weight:                | 0.65kg                                    |
| Carton Size:           | 55-36-35CM                                |
| Ctn/Qty:               | 20pcs                                     |
| Carton Weight          | 19.5KG                                    |
