

Symbol:	N42W-T2
----------------	---------

Manufacturer:	NINIGI
----------------------	--------

Product specifications

Connector:	contact
-------------------	---------

Connector type:	wire-wire/PCB
------------------------	---------------

Connector type:	female
------------------------	--------

Contacts pitch:	4.2 mm
------------------------	--------

Electrical mounting:	crimped
-----------------------------	---------

Mechanical mounting:	for cable
-----------------------------	-----------

Wire size:	22...24 AWG
-------------------	-------------

Maximum current:	9 A
-------------------------	-----

Contact material:	brass
--------------------------	-------

Contact plating:	tinned
-------------------------	--------

Wire cross-section: 0.2...0.32 mm²

Additional information

Gross weight: 0 kg

**Quantity in
collective package:** 5,000
