

Symbol:	MFW-06
----------------	--------

Manufacturer:	NINIGI
----------------------	--------

Product specifications

Connector:	plug
-------------------	------

Connector type:	wire-board
------------------------	------------

Connector type:	female
------------------------	--------

Number of pins:	6
------------------------	---

Connector variant:	w/o terminals
---------------------------	---------------

Contacts pitch:	3 mm
------------------------	------

Mechanical mounting:	for cable
-----------------------------	-----------

Maximum current:	5 A
-------------------------	-----

Locking system:	latch
------------------------	-------

**Type of pin
configuration:**

2x3

Additional information

Gross weight:

0 kg
