Notification Subject: STN LCD POLARIZER EOL

- Issue Date: July 21, 2023
- Description: Several suppliers announced EOL of polarizers used on STN LCD modules.
- Effect of change

Effected Parts	Various LCD with polarizers produced by Optimax, Nitto and SAPO
----------------	---

■ Action plan

Due to the discontinuation of the production of polarizers, which are the constituent materials of the LCD. Winstar will select the LCD with similar display effect as the successors to ensure continuous supply. The relevant Last buy will be limited by the information provided by each glass factory, please contact your responsible sales person for details.

Winstar appreciates your support and understanding. We will do our best to support you during the transition. If there is any further question, please feel free to contact us. Thank you!

Best regards,

Vice President of Sales Dept.
